Introduction

Thank you for joining us tonight. Out of all the places you could have gone, you chose to step into this room, this story, and this mystery with us — and for that, we're grateful.

But this isn't just any party. Something strange has been stirring in the shadows of the dance floor...

An anonymous mix has surfaced. It's been whispered about in back alleys, replayed in gyms, and even painted across Detroit's walls. And now, it's up to you to uncover the truth: Who is responsible for this crime?

Inside this dossier you'll find:

Interviews with suspects.

Reports from the scene.

Clues that point toward guilty hands (or guilty headphones).

Your mission is simple:

Review the case files.

Piece together the mystery.

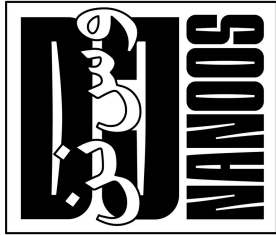

Dance while you investigate.

Only the first few detectives to crack the case will be rewarded with prizes — but every one of you contributes to solving the mystery.

Now... turn the page, trust no one, and remember: the truth always slips out on the dance floor.

HOW TO WIN:

Dance your way to one of the detectives (they will have a sticker and magnifying glass) and share who killed me and what the intent was to win!

INTERVIEW: Sheefy Mcfly
DATE/TIME: 1:05PM 9/19/25
LOCATION: Lincoln Hall

BEGINNING OF INTERVIEW

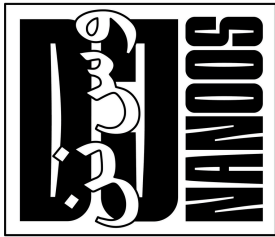

Detective: Where were you after the Zoom call ended?

Sheefy: I went out to the Garden for a bit. Nanoos other DJ friend from Chicago was out there sulking, you know? Still salty about Nanoos clowning him on that call. I tried to lighten the mood, even gave him a copy of my EP to put on that new USB he had. Thought maybe he'd start experimenting on the sticks instead of whining about what Nanoos thinks of him.

Detective: Did you see what he did with the USB afterward?

Sheefy: Nah, but he had this weird look on his face. Like... plotting something. He wasn't mad at me, but he sure wasn't letting go of Nanoos' comment about laptop DJs.

Investigator Notes: Subject establishes the mystery DJ's motive and confirms he had the USB in his possession.

INTERVIEW: Sheefy Mcfly FOLLOW UP
DATE/TIME: 8PM 9/19/25
LOCATION: Lincoln Hall

BEGINNING OF INTERVIEW

Detective: Sheefy, we need to talk about the mural outside. It depicts someone deadlifting and collapsing under the weight. Coincidentally, that's how Nanoos was murdered and I am trying to figure out why..

Sheefy: (laughs) Man... I didn't plan that. I had a vision. Paint just moves through me, you know?

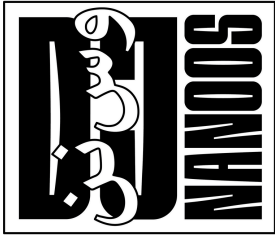

Detective: A vision? Of Nanoos specifically?

Sheefy: I don't paint people, I paint energy. The city of Detroit... it whispers to me. Sends me little visions. Sometimes it's a car, sometimes it's a bottle of Faygo, sometimes it's somebody falling on their ass under a barbell.

Detective: You realize that's... oddly specific.

Sheefy: (grinning) Look, if the city says "paint it," I paint it. Don't blame me, blame Detroit.

Detective Annotation: Sheefy's answers remain evasive but colorful. He denies intentional targeting of Nanoos. His explanation — visions from "the city of Detroit" — is difficult to verify but keeps him in the pool of suspects.

INTERVIEW: Simone ???
DATE/TIME: 2PM 9/19/25
LOCATION: Lincoln Hall

BEGINNING OF INTERVIEW

Detective: Did you speak with Bianca after the Zoom call?

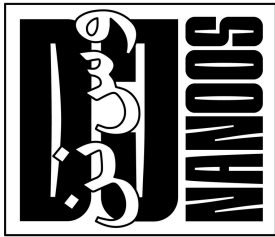

Simone: Yeah, she told me about her friend being all bent outta shape. I said she should just give him a blank USB to smooth it over. He seems sensitive about that laptop stuff. I didn't think it'd go this far though.

Detective: Did you notice anything unusual later?

Simone: Well, Bianca told me he actually used the USB. She sounded surprised. Next thing I know, I hear he was making some kinda "special mix" for Nanoos' gym routine. That sounded sus to me. He doesn't exactly scream "helpful teammate."

Investigator Notes: Confirms Simone gave the other DJ the USB and links the file directly to Nanoos' workout routine.

Questions: Who are Simone and Bianca? Are they also DJs?
Who was the other person on the call?

INTERVIEW: Bianca ???
DATE/TIME: 3PM 9/19/25
LOCATION: Lincoln Hall

BEGINNING OF INTERVIEW

Detective: Why did you give Preme the USB?

Bianca: I just wanted to make peace. I thought if he felt included, maybe he'd chill out. I mean, Nanoos teases about laptop DJs on podcasts all the time — I didn't think her friend would take it so hard.

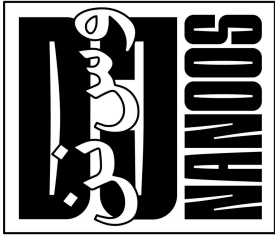

Detective: Did he tell you what he planned to do with the USB?

Bianca: He didn't say much, but... I saw him scrolling TikTok and downloading some awful mix. I figured he was just messing around. I didn't realize he was gonna gift it back to Nanoos. He was in the studio room.

Detective: Do you think he meant harm?

Bianca: Honestly? He wanted her to hear the worst transitions ever. With Nanoos' ego? He knew it'd drive her nuts. I don't think he meant for her to pass out though.

Investigator Notes: Subject provides direct observation of someone downloading the corrupted file — establishes clear intent. But who is this DJ that wants to mess with Nanoos?

MYSTERY DJ 3 ROOM INVESTIGATION

INTRODUCTION:

- Based on the interviews, it seems like Sheefy, Bianca, and Simone are tied to Nanoos in some kind of way.. They may be DJs.
- They didn't seem to know who the other person on the Zoom call was but mentioned he may be local to Chicago.
- Let's call him Mystery DJ 3-- he seemed upset about the Zoom call.
- I decided to take a look at the room he was last seen in before he disappeared.

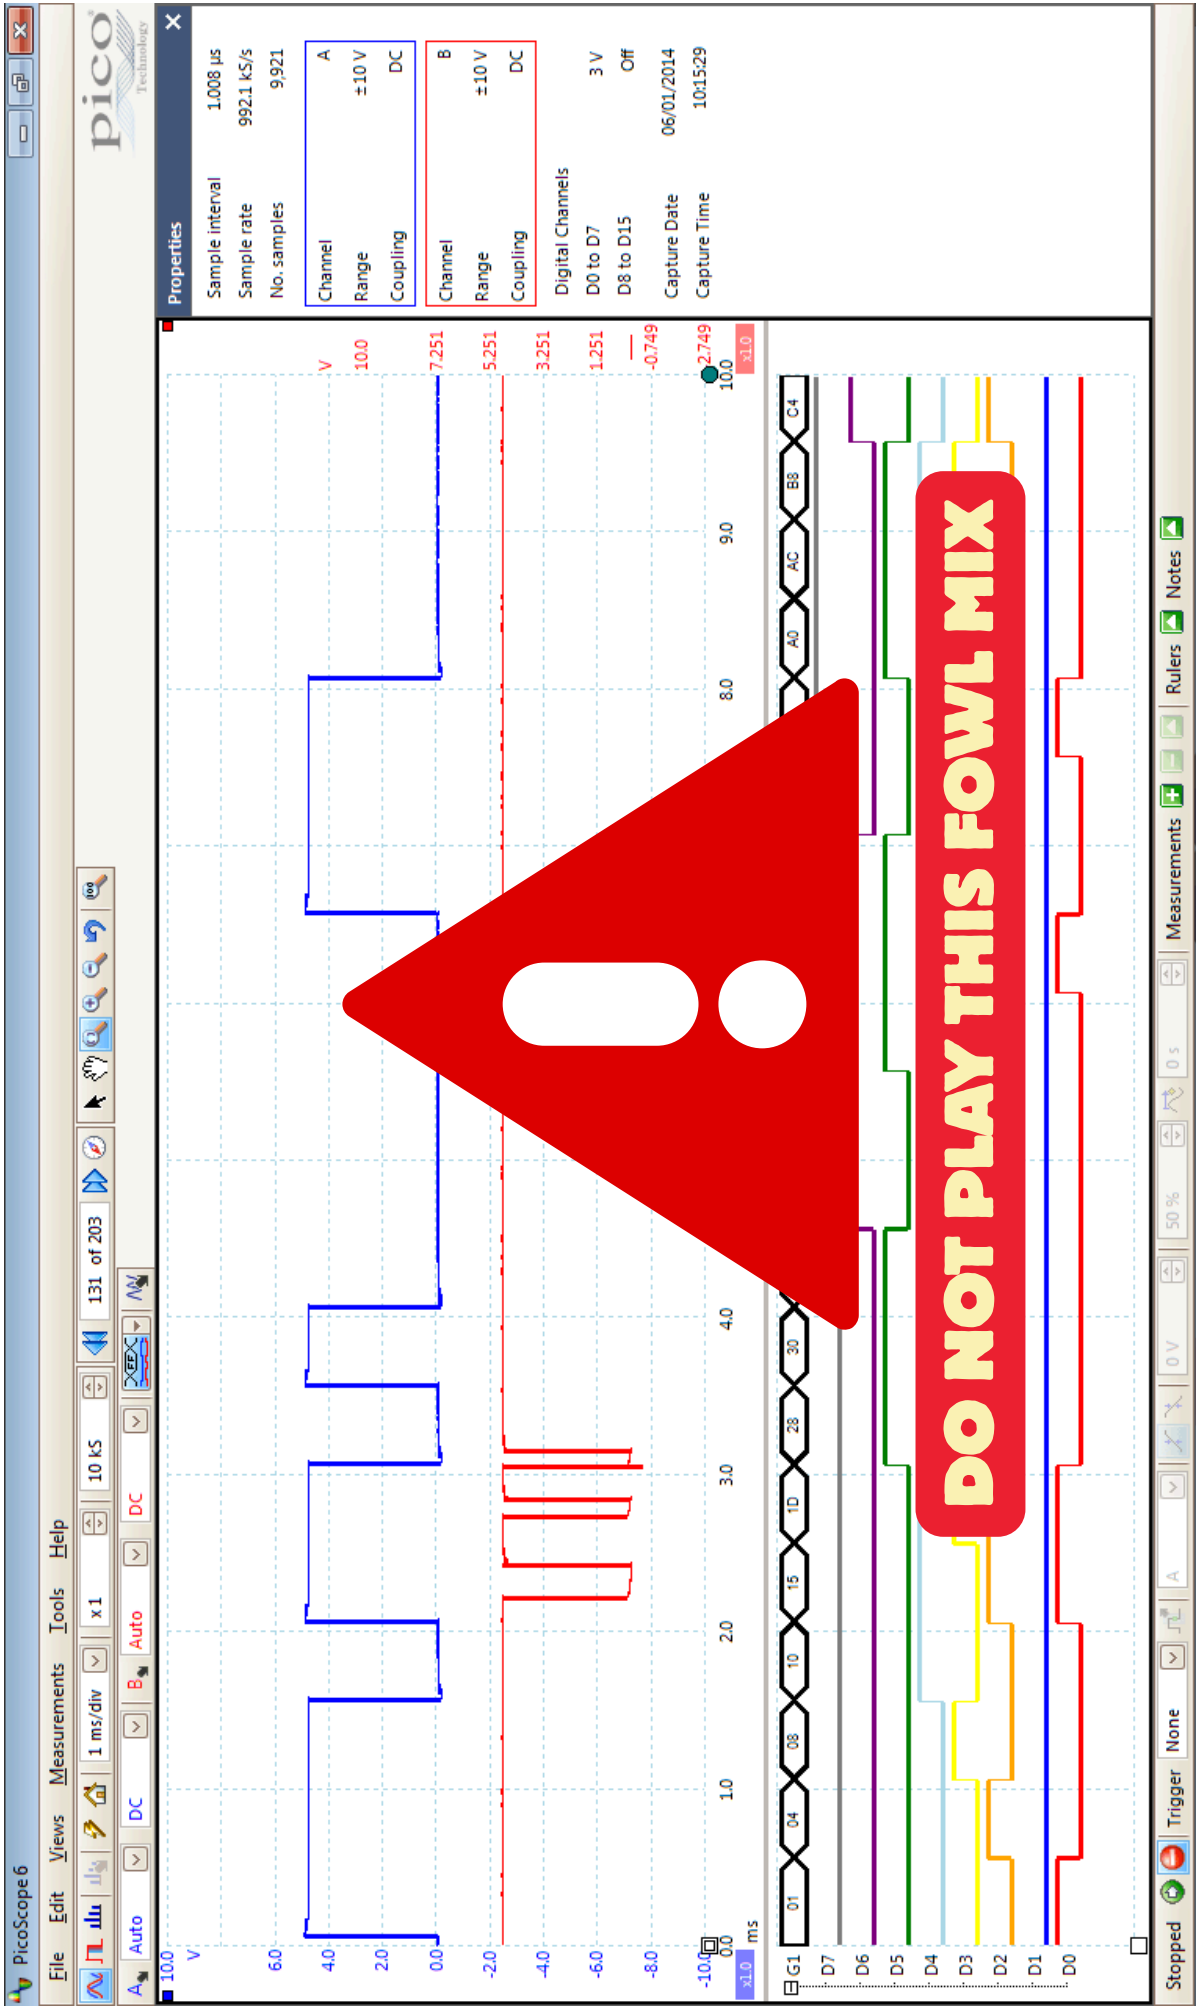

FINDINGS:

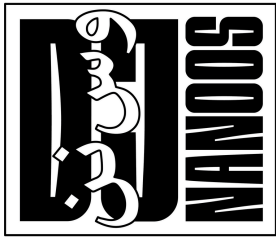

- Seems Mystery DJ 3 was downloading an awful mix from Tiktok...
- The TikTok search history is, "Horrible DJ mixes", "How to not mix", and "USB DJs just suck"
- I see a handwritten note that says "USB DJs are always hiding behind waveforms"

CONCLUSION:

- Recovered USB file from the initial crime scene directly links this person to a maliciously created audio mix, apparently designed to overwhelm or embarrass Nanoos during her workout set. Handwritten notes and download history confirm motive (resentment over public teasing) and intent (to sabotage).
